

Youth Venture of Central Iowa Presents: Drake Family Fun Night

Drake Family Fun Night:

Noticing there were few structured opportunities for families to gather and have some fun in Des Moines' Drake Neighborhood, the Drake Family Fun Night team came together. With the help of United Way of Central Iowa and their three main pillars of community, the team started organizing fun nights on the last Friday of each month, which focus on health, income, and education. Volunteers for the team help serve dinner to families, while a raffle is conducted. After dinner, family fun starts with arts and craft projects, reading groups, and games in the gym. Each Family Fun Night has a different theme, depending on the season. All are invited to come out and enjoy!
